Notes to Editors

Corps Security, formerly The Corps, is one of the leading security and business support companies in the UK and an SIA Approved Contractor. Corps Security is dedicated to providing solutions to corporate clients and has over 3,100 licensed security staff working on assignments which are supervised and managed from our network of 12 regional offices around the UK.

Corps Security also has offices in Papua New Guinea.

Corps Security is committed to providing the highest levels of customer service and only employs well trained and licensed security officers. The company is dedicated to developing people and offer attractive pay and benefits to all staff which helps to maintain high staff retention levels and provide the highest calibre personnel.

Corps Monitoring Centre

Corps Monitoring Ltd is a subsidiary company of Corps of Commissionaires Management Ltd and provides CCTV and fire and alarm monitoring services to a wide range of customers across many market sectors on an independent basis or as part of an integrated service incorporating manpower and technology.

The CMC operates from a purpose built and technically advanced facility, which in May 2008 became one of a few Alarm Response Centres to have achieved the NSI Gold award for BS8418 with the additional fire and alarm monitoring accreditation attained in June 2010.
